

Hello

Laban Brown Design is a multi-discipline design agency.

Our strategic thinking and creative solutions are proven to drive business growth, achieve increased sales and launch successful businesses for clients large and small - Corporate Identity, Brand Identity, Brochure Design and Website Design.

We are a creative Design Agency who have been creating powerful and effective Corporate Identity and Logo Design, Brand Identity, sales literature, Brochure Design, direct mail, Website Design and advertising for companies large and small since 1993.

Based in the South East, we serve clients locally throughout Essex and London - across the whole UK and Internationally.

If you are looking for a Design Agency who offer consistently smart ideas and a better return on investment to replace your current supplier, a start-up company who needs a hand getting off the ground or anything in-between then contact us and we could soon be making a big difference to your business too.

Amongst others we are proud to work with:
